The journey has ended. Our high school days are over. We'll always remember the everyday experiences in the life of a typical student.

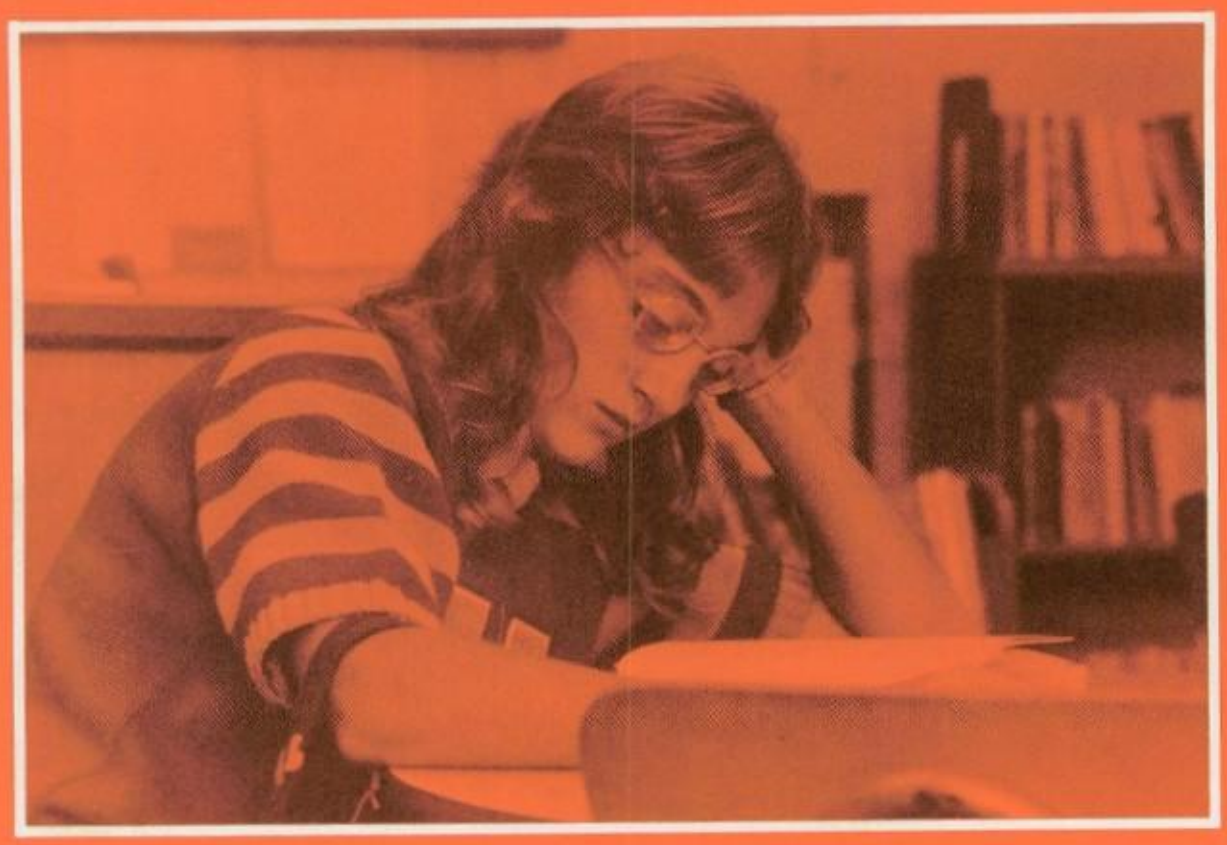
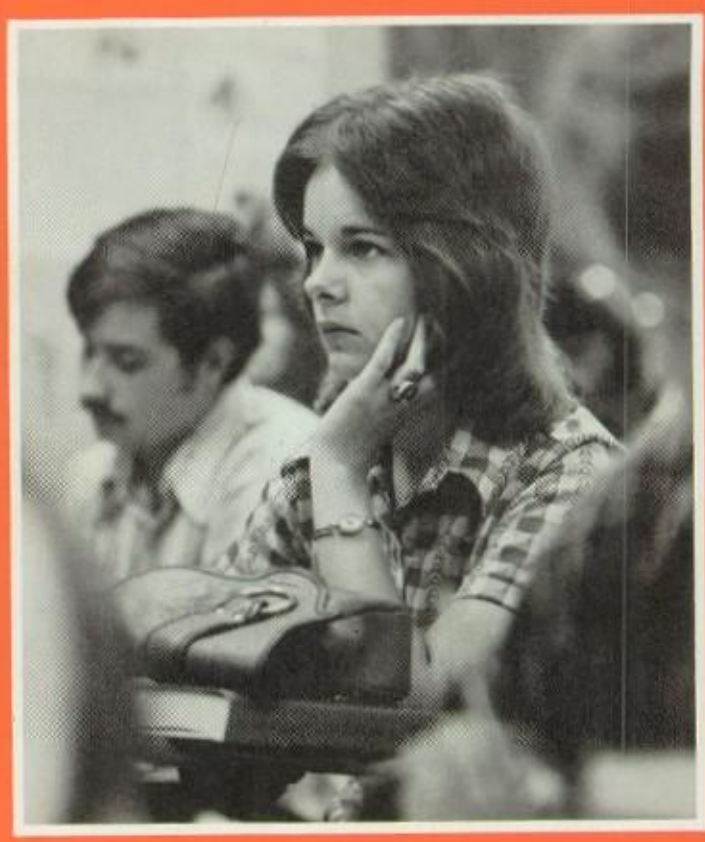
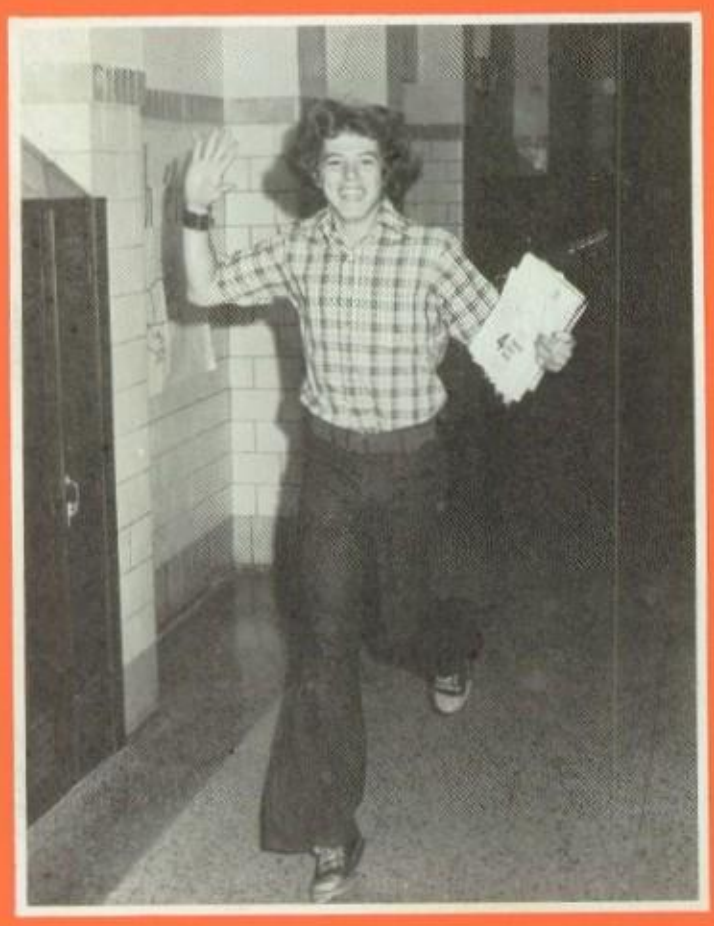
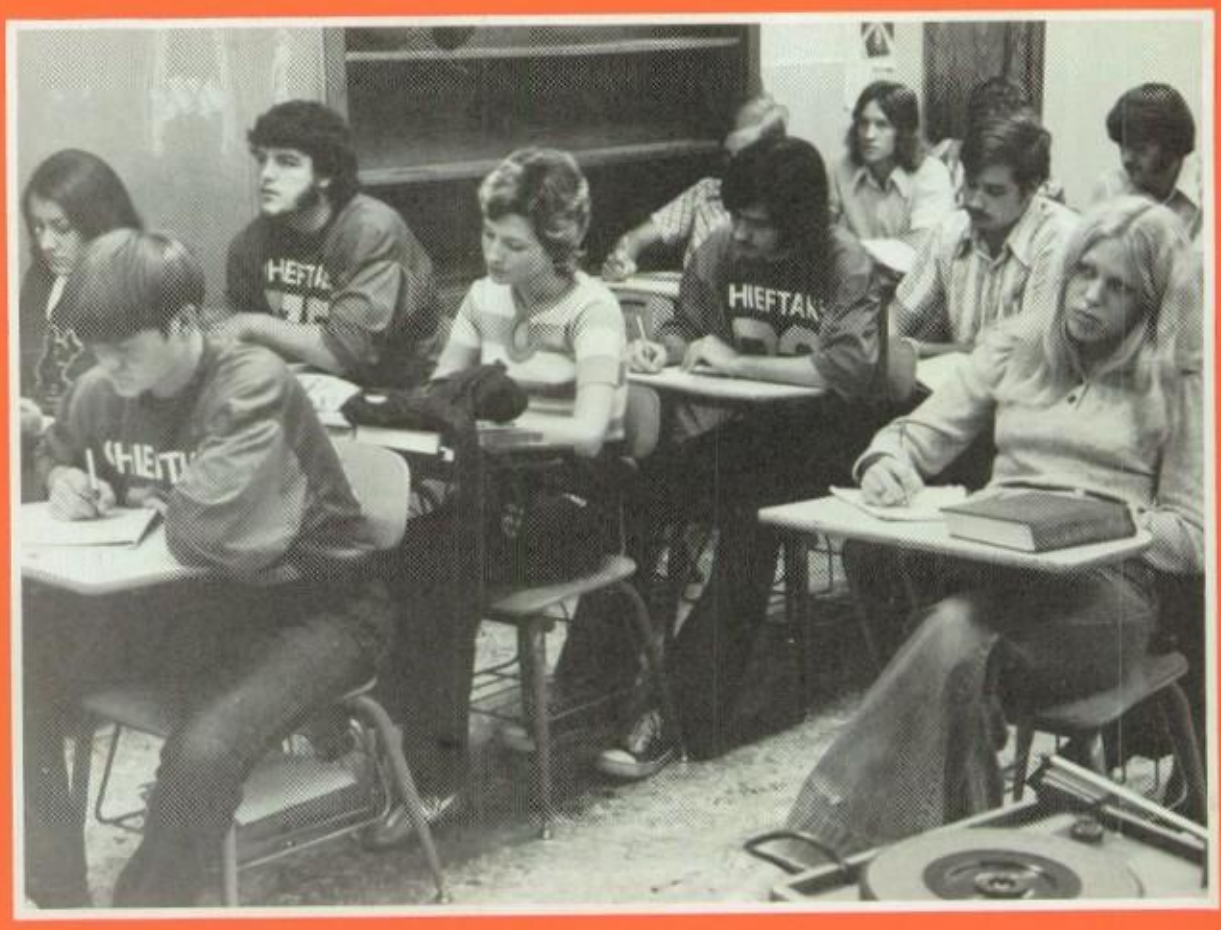
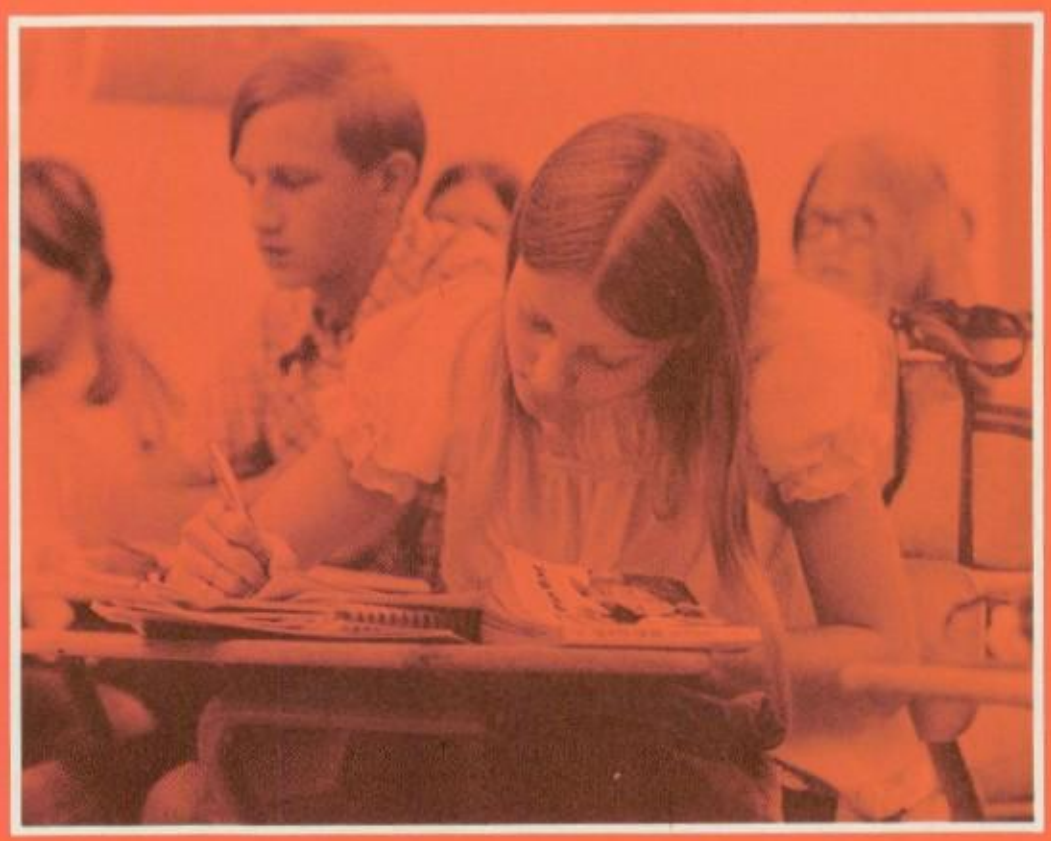
It seems like only yesterday we were trudging through the hallways eager to get to that next class.

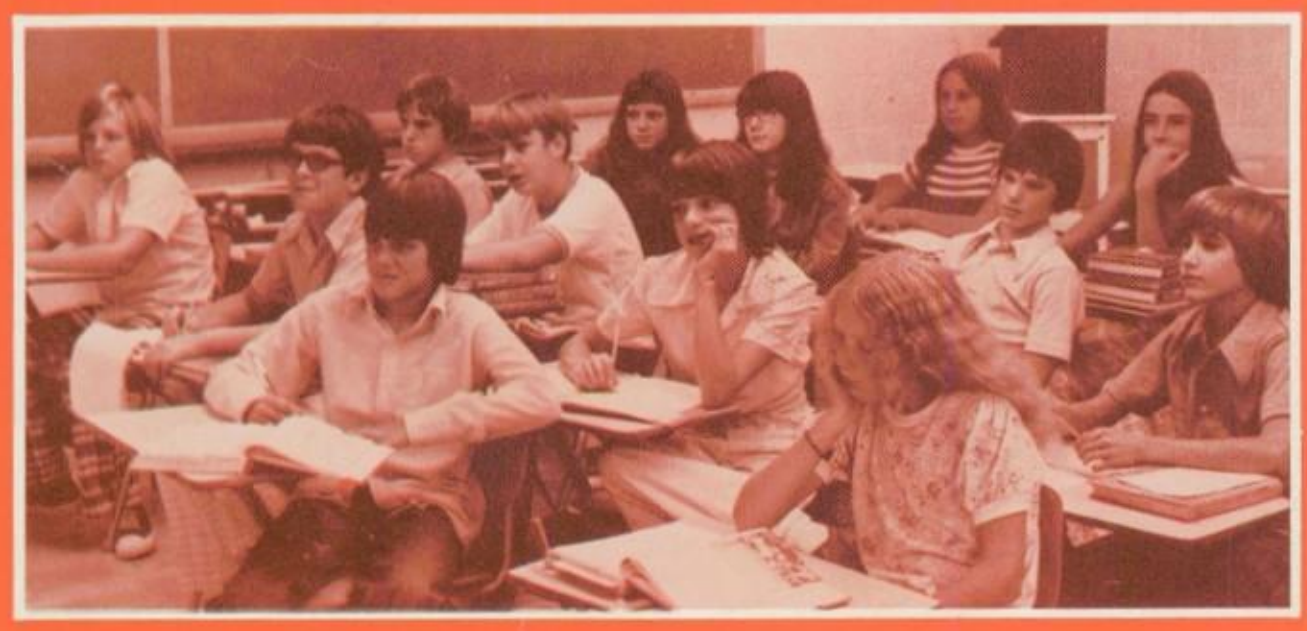




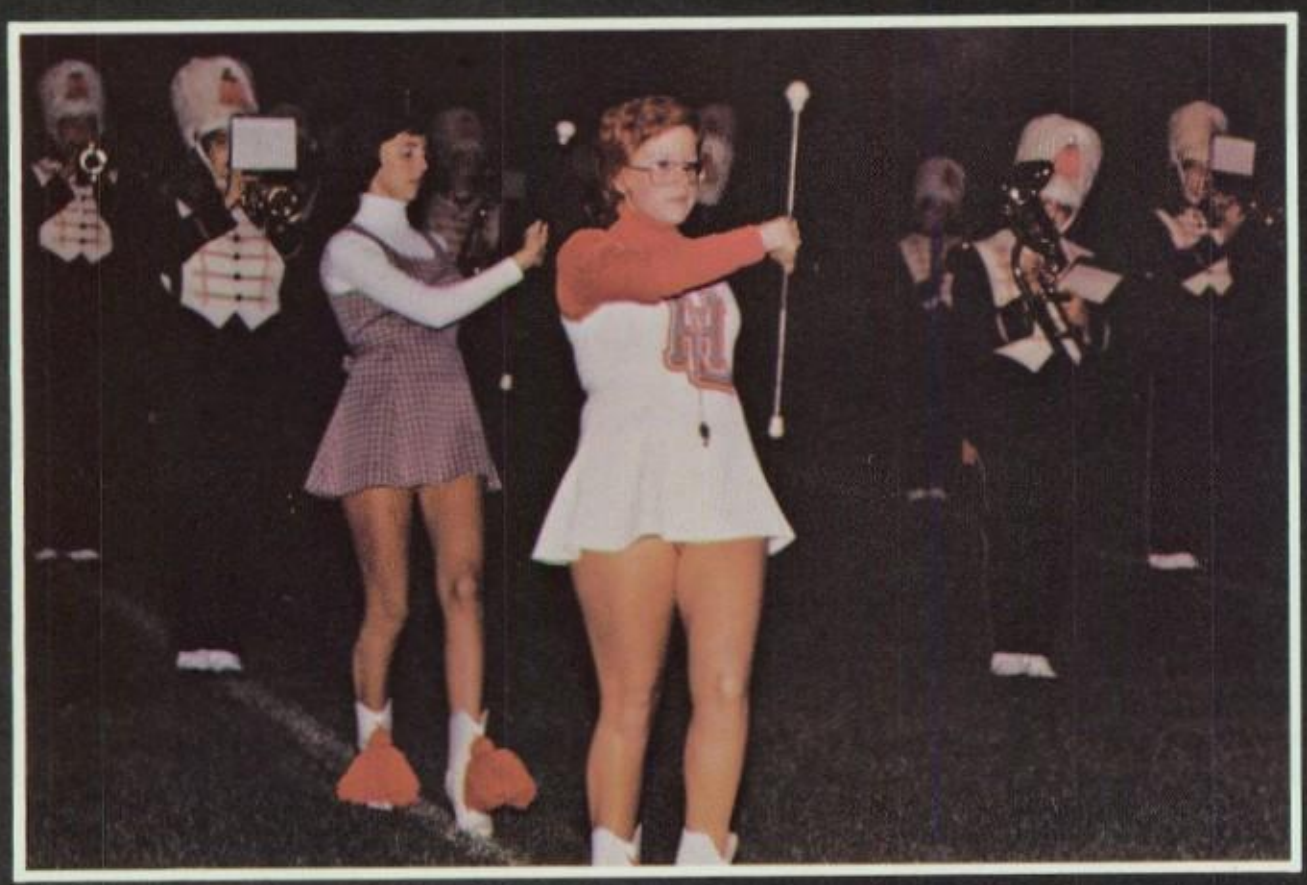




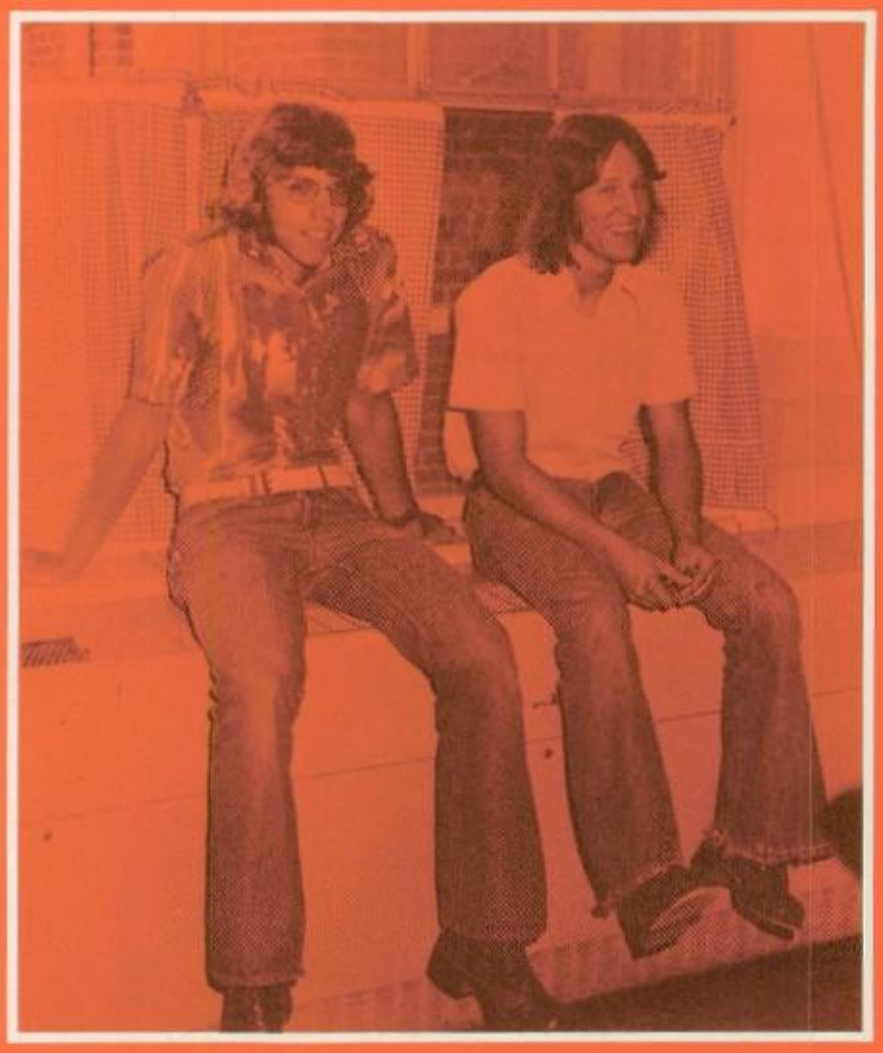


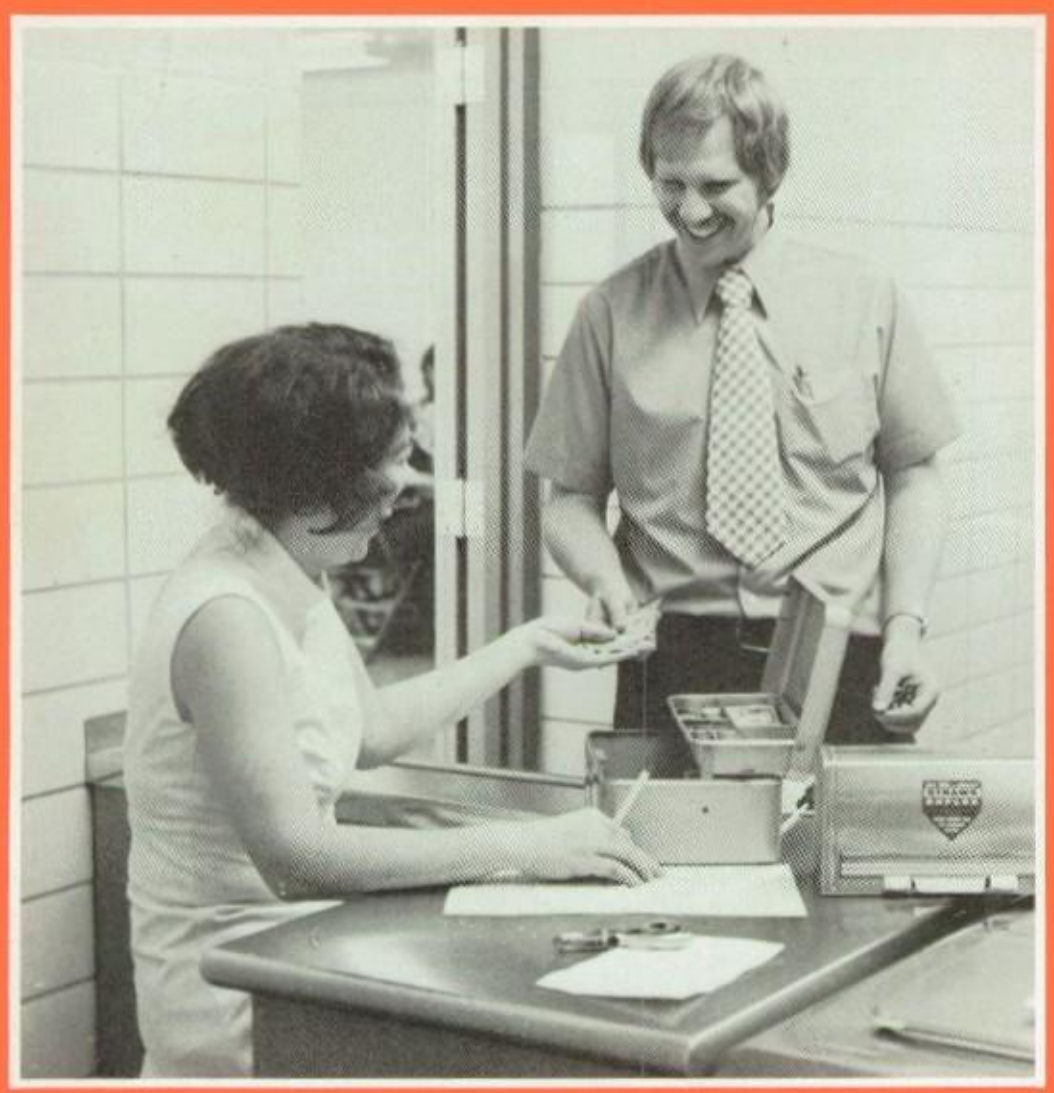


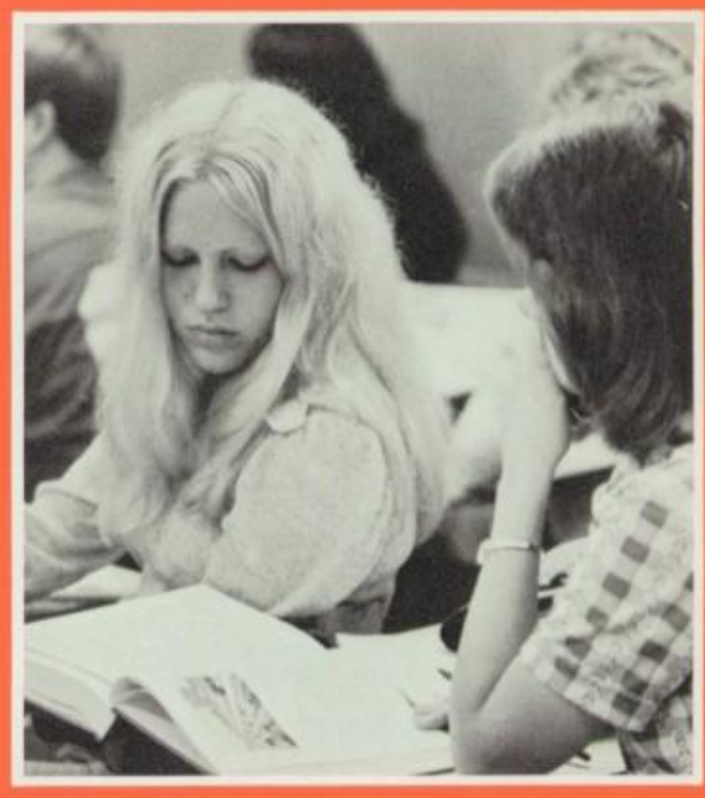
And if that next class were band, you would find us practicing trying to reach perfection in hopes of obtaining it.



Then came lunches,
with 20 minute lines and 2 minute lunches.
Then off to class again.







Back to running, crowding, pushing,
and shoving through the hallways
trying to make it to your next class
in 3 minutes.

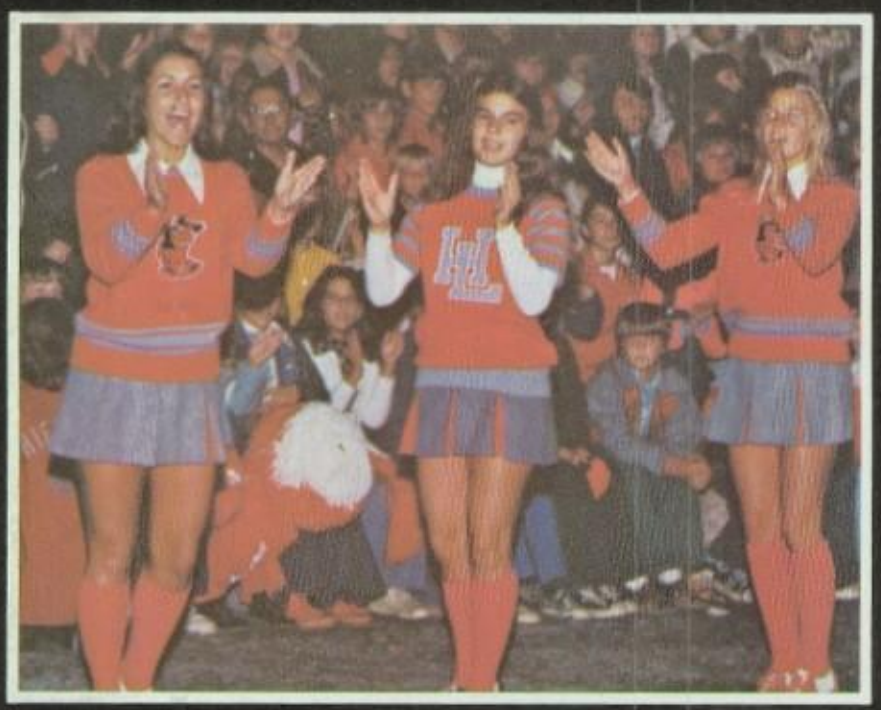
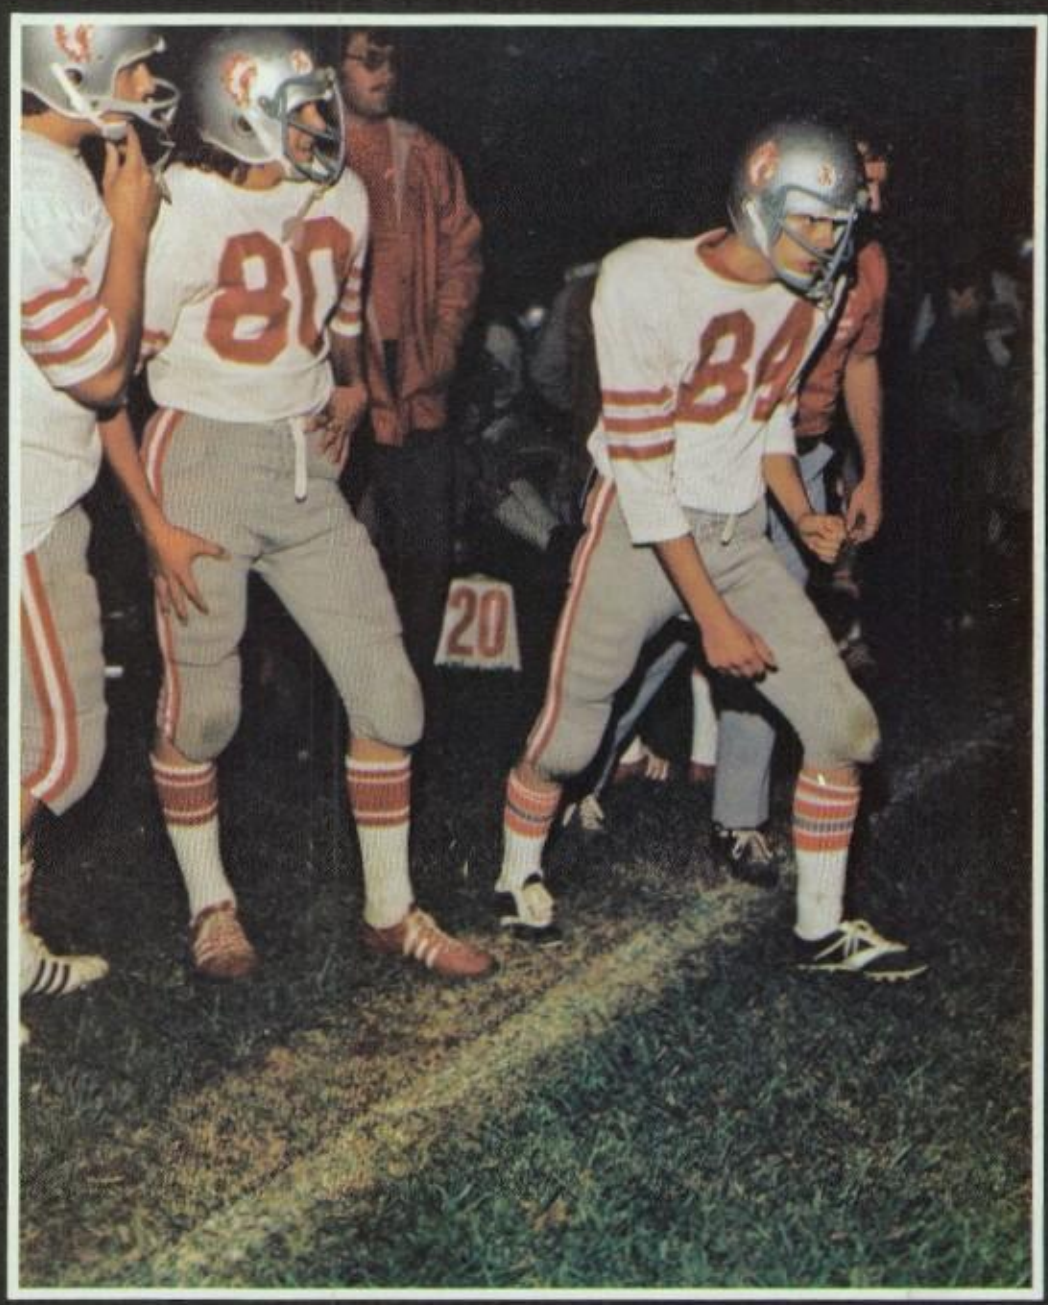
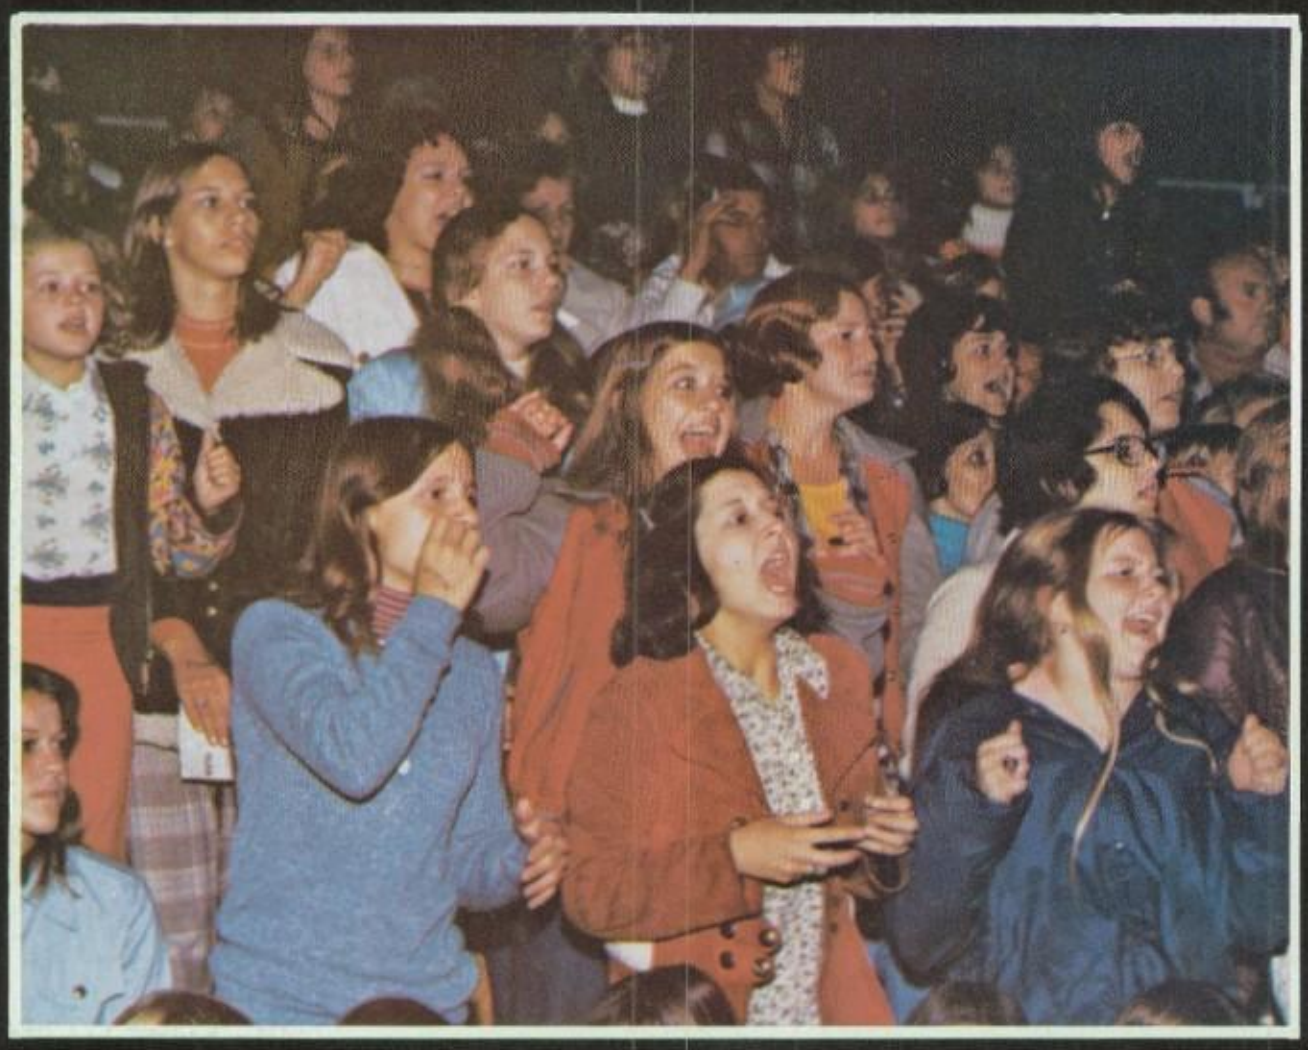
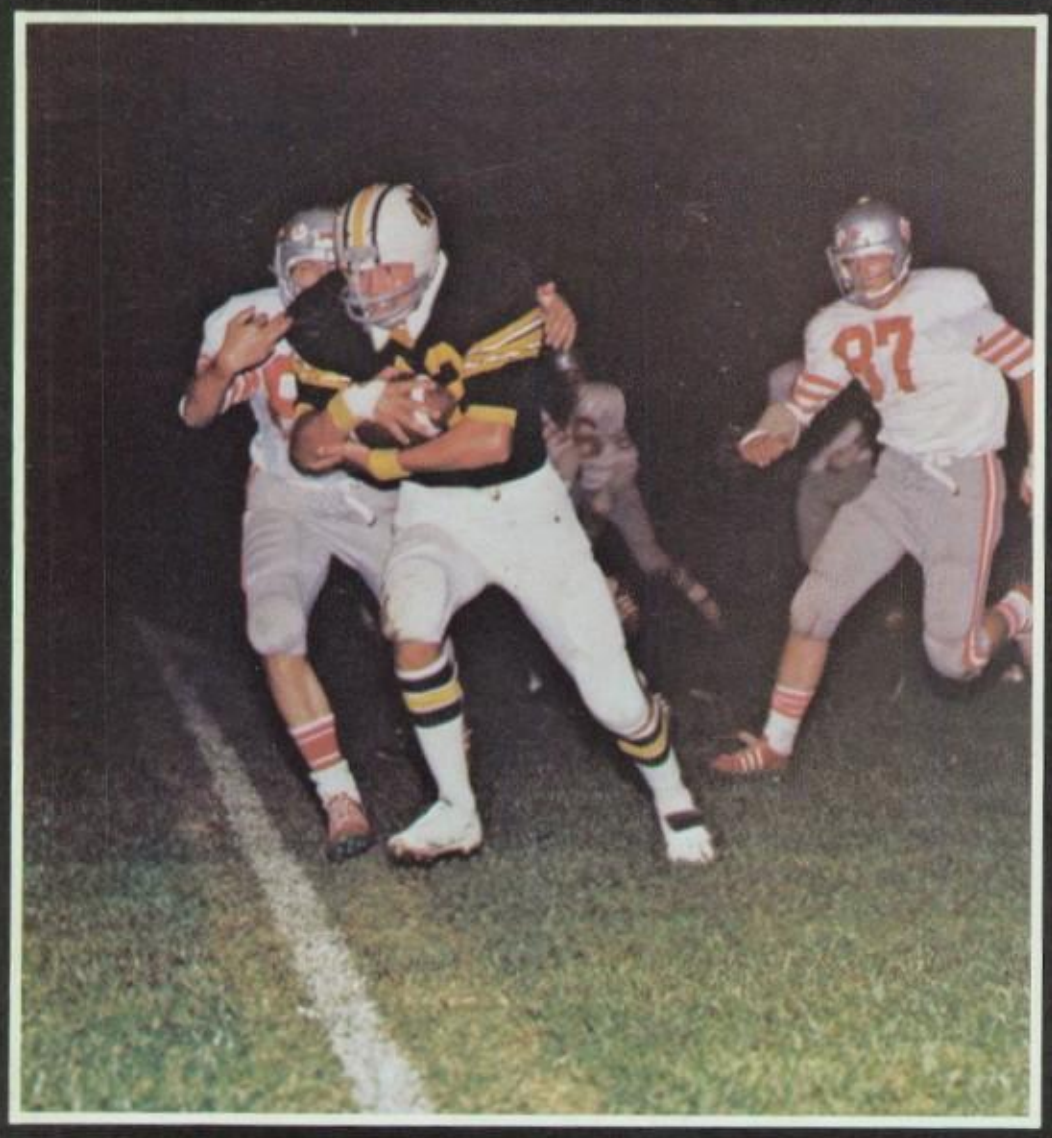
After a long hard week, we all look forward to the Friday night football games.

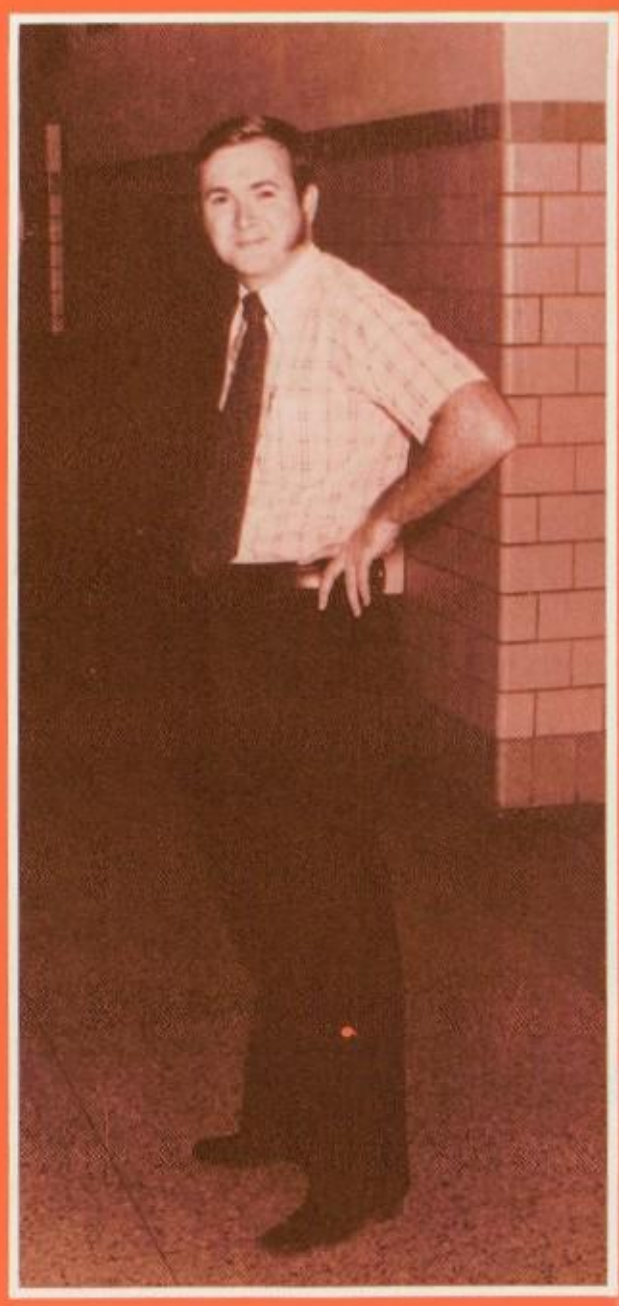


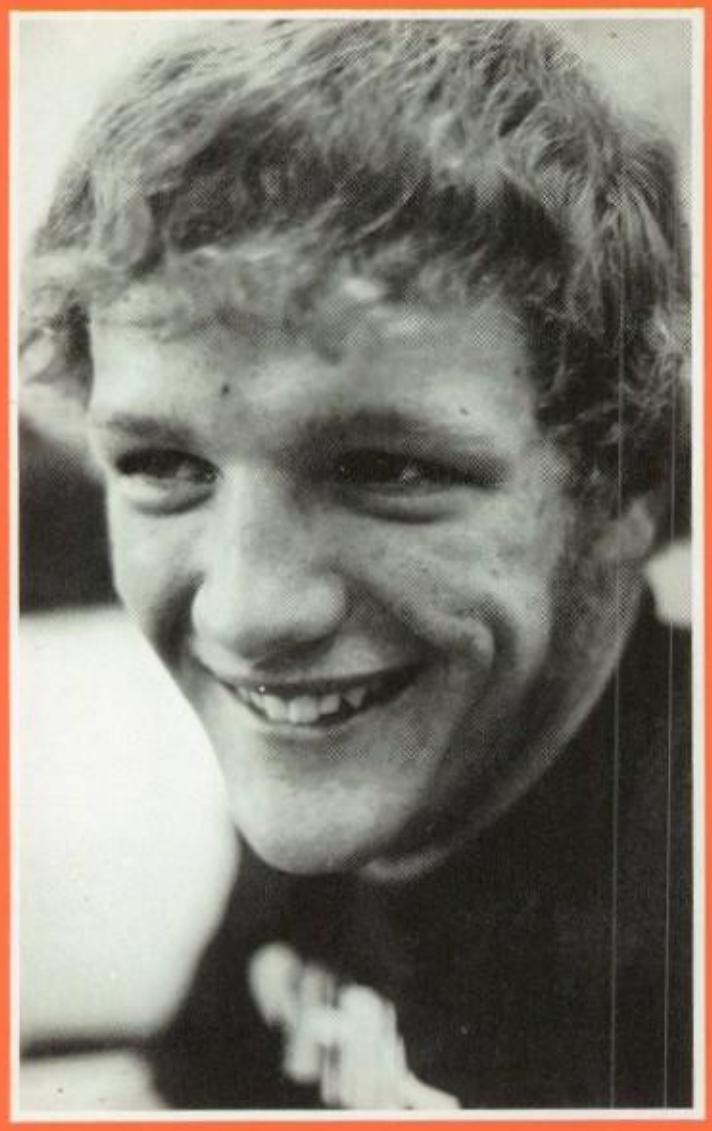


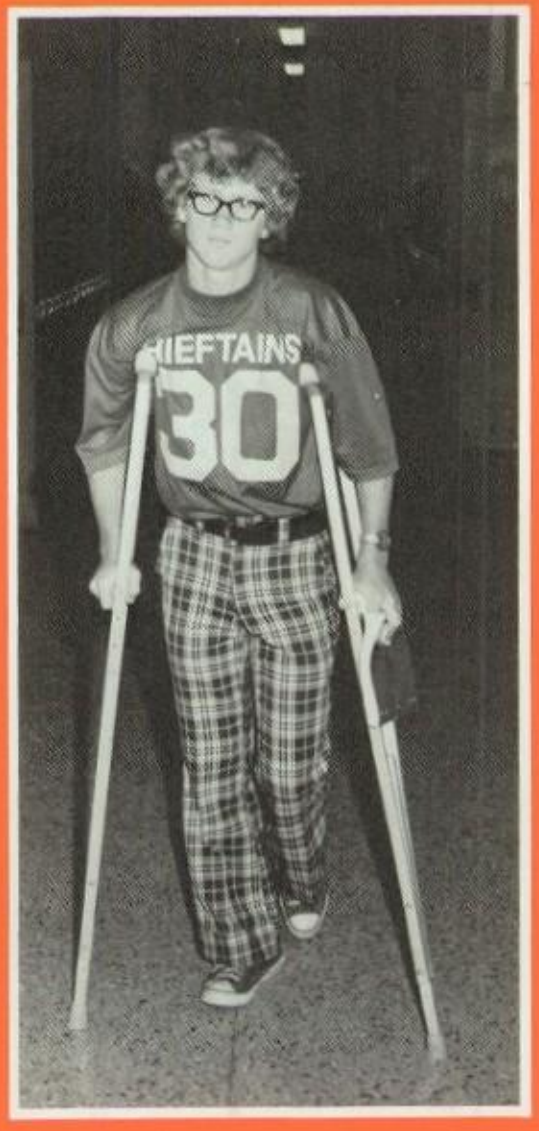


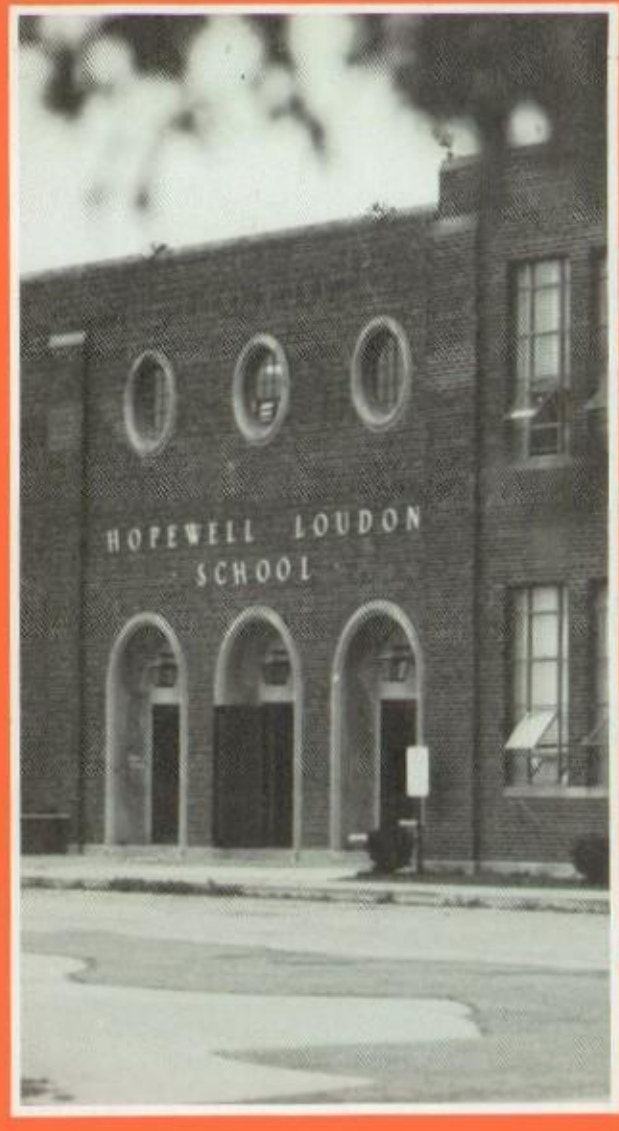


For the Seniors high school is over, but we'll always have nice memories of Hopewell-Loudon.









DEDICATION

We the class of 1975, wish to dedicate this issue of the Scarlet and Gray, to you, Mrs. Rouser. Your devoted and ceaseless efforts for our class will long be remembered after graduation. Without you, our money-making projects, class floats, and the Junior-Senior Prom would not have been completed. Your devotion to our class is returned with the love and respect of the graduating members. We wish to express our thanks for your patience and support.

Our Editor

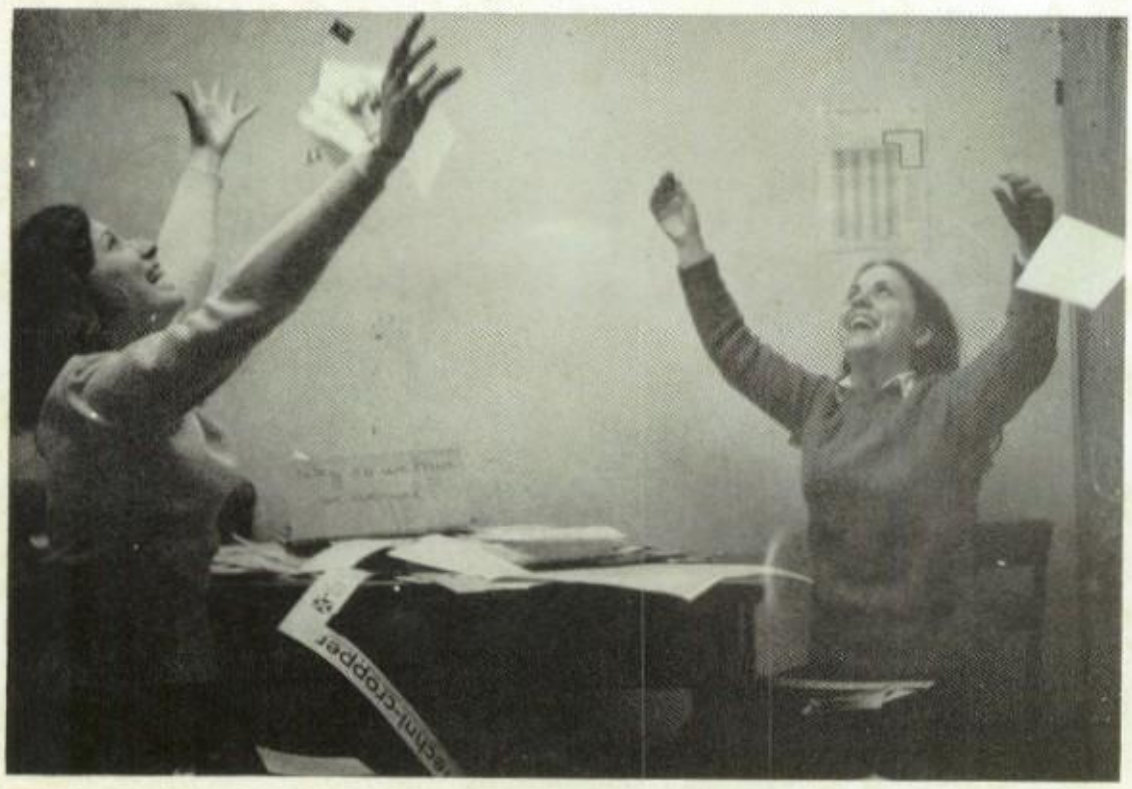
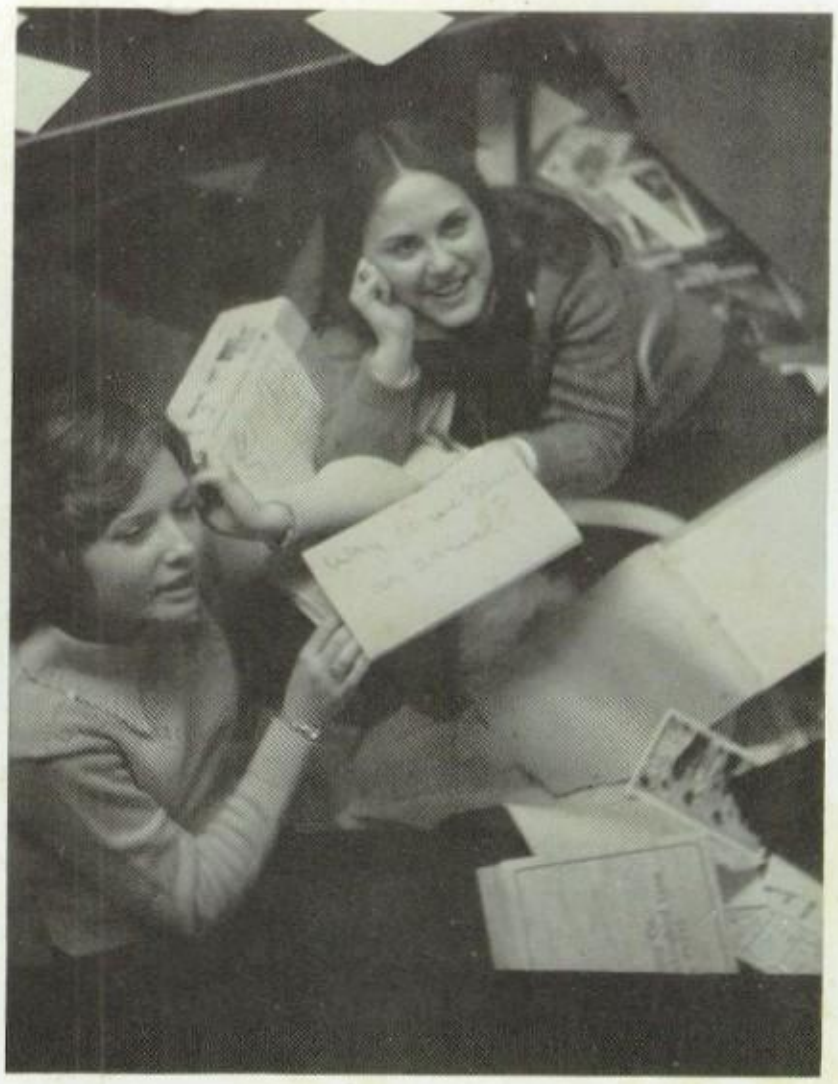
"I meant for you to hand me the pictures, Brenda!"

Hard at work



"WHOPPEE! The End!"



"Well, Kathy, it's finally the deadline day. All the other pages are finished except this last one. What can we say here?"

"Let's write something nice to thank all the annual staff personnel. Okay, Breand?"

"Yeah, that'd be nice, but I'm afraid we'd leave out someone's name. Let's see - there was you, me, Linda, Deb, Tracy, Bernie (the miracle typist), Kathy, Lisa, Elaine, Rose, LaNeta, Linda S., Wow, Yo, there's quite a list!"

"We have to remember Miss Cramer. She was our backbone. Heck, without her I would've lost my mind long ago."

"Oh, haven't you already, Kath? I thought your mind gave up by page 48."

Anyway, thank goodness it's all over; just think next year's staff will have a full year of grease pencils, pictures, pictures, useless pages, and croppers."

"Yeah, I'd like to offer them one piece of advice. Don't wait until the day before the deadline to start the annual."

"Thanks to all who helped and especially to Miss Cramer."

P.S. "Any mistakes found in this annual are not our fault. We repeat, not our fault!!!"
